

MIMO 7" USB Monitor UM-710S / UM-720-S

PRODUCT FACT SHEET (UM-710S / 720S)

Product Description		USB Powered and connected 7" (touch-screen) monitor		
Model No.	UM-710S / UM-720S	Product Features		
Front View				
		<ul style="list-style-type: none"> - High speed USB2.0 powered / interfaced (USB plug&play) - Touch Screen display (UM-720S only) - Bright, Vibrant, High-resolution & contrast LED display - Possibility of Using MIMO as a primary monitor - Compact & Slim portable design - 90° Screen Pivot - Horizontal/Vertical (S-series only) - Extension/Mirror display mode support - Low-Energy Efficient Mini-Display to set up various applications 		
Rear View				
		Over View		
				
		90° Screen pivot	Folding	
Product Dimension		Technical Data		
UM-710S/UM720S	Folding	180(W)x140(L)x25(H)mm	Screen Size	7" Wide (17.78cm)
	Standing	180(W)x140(L)x115(H)mm	LCD Active Area	152.4mm(H) x 91.4mm(V)
Gift-Box (Retail) Packing		Aspect Ratio		16:09
Printing Colors	(4) Color Printing		Resolution (pixels)	800 x 480 (WVGA)
Dimension	240(W)x190(L)x65(H)mm		Number of Color	262 K
Weight	800g		Brightness	350 cd
Componentry	UM-710S or UM-720S x 1 pc		Contrast	400 : 1
and Accessories (User manual, Install CD, USB cable)		Pixel Pitch	0.1905mm(H) x 0.1905mm(V)	
Bulk (Export) Packing		Viewing Angle	160°(L/R), 130°(T/B)	
Type	Export Carton		Response Time	20 ms
Units per Carton	15 pcs		Backlight	LED
Weight	13 Kg		Video Input	High Speed USB 2.0
Dimension	5800(W)x260(L)x360(H)mm		Power Input	USB Bus Power (DC 5V)
Origin	Made in Korea		Power Consumption	2W - 4.5W
